
All Monsters Attack Directive Book version

By Finn Duffy and Ishiro Honda, Takeshi Kimura

Near the dawn of the new century, humanity has managed to capture the Earth's monsters and contain them on an island in the Ogasawara chain.

The measure is a success in safeguarding the world's cities, while at the same time allowing scientists to monitor the magnificent creatures

Unfortunately, the island is attacked by an alien race called the Kilaakian, who enslave the monsters and send them on an all out attack against the nations of the world.

Eventually, mankind manages to gain control of Godzilla, Mothra, Rodan, Baragon, Varan, Kumonga, Ebirah, Manda, Maguma themselves after reverse engineering one of the Kilaak's devices.

This prompts the aliens to to call forth King Ghidorah who fights against Earth's monsters for the final time.

Then Godzilla, Mothra, Rodan, Baragon, Varan, Kumonga, Ebirah, Manda, Maguma Manage to defeat King Ghidorah
